

Job Description: Maintenance Mechanic

Maintenance Mechanic (Full-Time)

Caledon Ski Club

17431 Mississauga rd.

Caledon, Ontario

Position Overview:

Caledon Ski Club is seeking a full-time Maintenance Mechanic to join our team. This hands-on role is essential to the smooth operation of our facility and involves the maintenance and repair of a wide range of vehicles and equipment. The ideal candidate is a self-motivated, safety-conscious professional with a strong background in preventative maintenance and mechanical repair.

Key Responsibilities:

- Perform routine and preventative maintenance on a variety of vehicles and equipment, including but not limited to:
 - Trucks
 - Tractors
 - ATVs
 - Snowmobiles
 - Small engines
- Maintain and operate shop equipment, such as:
 - Hoists
 - Welders (metal and aluminum)
 - Hydraulic presses
- Diagnose and repair mechanical issues in a timely and efficient manner
- Maintain accurate maintenance records
- Assist with general property and road maintenance, including winter operations
- Adhere to and promote health and safety best practices in all tasks

Qualifications:

- A mechanic license (automotive, diesel, or small engine) is considered a strong asset
- Knowledge and experience with shop tools and equipment
- Ability to lift over 40 pounds
- DZ license is an asset, especially for operating a commercial sanding truck
- Strong organizational and problem-solving skills
- Excellent communication and teamwork abilities
- Willingness to work in varying weather conditions and on-call as required

What We Offer:

- Competitive hourly wage based on experience (\$30-\$40/hr)
- Optional RRSP matching and benefits available
- Full-time, year-round employment
- A dynamic outdoor work environment
- Opportunity to work in a supportive and collaborative team

To Apply:

Interested candidates are encouraged to submit their resume and a brief cover letter outlining relevant experience to jsievwright@caledonskiclub.on.ca
